

**GEORGIAN BAY
FOREVER**

Thank you for your interest in joining the Plastic Free Georgian Bay Campaign to reduce single-use plastic consumption.

We at Georgian Bay Forever are excited to learn about your business and help you make meaningful changes!

Plastic-free Georgian Bay (PFGB) is a program created with the intent to reduce plastic waste, expand public awareness about plastic pollution and show how everyone can take action in supporting a circular economy. You will learn practical tips concerning your business's plastic footprint and helping reduce the threat of plastic pollution to our environment.

Upon taking the commitment to make changes you will receive promotional materials to educate and show your customers that you are making positive changes in your community!

Georgian Bay Forever staff are available to assist every step of the way, Contact Sean Mullin at Sean.Mullin@gbf.org or 905-880-4945 ext 5.

Ready to get started? Begin below!

This information will be used to showcase your business on the PFGB and the GBF website, and will help to encourage others to take the pledge.

Full Name:

Organization or Business Name:

Organization or Business Email:

Tell us a little about your business (ie. Why you want to go plastic free, what are your biggest things that contribute to plastic free, and things you are working towards in reducing your impact):

Finally, please attach your business logo and an associated picture to be displayed on our website when you email us this form.
